Explore new business opportunities in one of the major cities of Ukraine- Dnipropetrovsk!

The Embassy of the Kingdom of the Netherlands in Ukraine is organizing a multisectoral trade mission to Dnipropetrovsk from 12 till 14 October 2015.

The objective of the mission is to explore the business potential and learn about market opportunities of Dnipropetrovsk region.

Dnipropetrovsk region is the 1-st fastest-growing region in Ukraine – its industrial heartland, center of information technology and engineering, financial services and mining. It offers favourable conditions for agriculture and food-processing. Dnipropetrovsk region has great development potential.

Trade mission features:

- Business and market briefings
- One-on-one business appointments with pre-screened potential buyers, agents, distributors and joint venture partners (min 5)
- Meetings with government officials, chambers of commerce, and business groups that can address questions about policies, tariff rates, incentives, regulation, etc.
- Networking receptions and events with business leaders and government representatives
- Company visits
- Media Exposure

Areas for cooperation with Dutch companies include but are not limited to:

- Metallurgical complex
- Chemical
- Agroindustrial complex
- Construction & Infrastructure
- Energy efficiency
- Engineering
- Space-rocket
- IT
- Light industry
